

SOCIAL SUSTAINABILITY

I want to promote education
I want to advance health
I want to fight poverty
I want to help vulnerable groups

ECONOMIC SUSTAINABILITY

I want to sell to the poor people of the world
I want to sell to conscious consumers
I want to sell to businesses that set requirements
I want to employ different types of people
I want to find customers through partnerships

ENVIRONMENTAL SUSTAINABILITY

I want to reduce my customers' consumption of water, electricity and heating
I want to reduce my customers' material consumption
I want to help my customers save on taxes and levies
I want to reduce my customers' transport costs
I want to reduce my customers' CO2 emissions
